Your contributions last year helped us assemble and fire over 38,000 rounds of ammunition for training and competition, and in outfitting these fine young athletes to compete at Camp Perry. We are proud to announce that 2022 was a very successful campaign.

## THANK YOU FOR YOUR SUPPORT !!!

100% of the proceeds will directly go to support our Arizona Juniors.

The raffle drawing winner does not need to be present at Washington's Birthday Match, but must meet all legal requirements to take possession of the rifle.
