

Bullseye Pistol Clinic

Saturday, October 3, 2026 7:30AM – 12:00PM fee: \$30

Phoenix Rod and Gun Club is one of the best Bullseye Pistol clubs in the Western US!

PRGC shooters form the State Team at Camp Perry. We have National Champions and Olympic shooters in the club! (Remember the viral pics of the Turkish guy in the Paris Olympics? We shoot that sport at PRGC!)

We want you to join us!

PRGC will host a Bullseye Pistol Clinic. This clinic is intended for shooters with pistol experience who would like to improve their shooting and/or learn about bullseye and Olympic competition. Any non-magnum pistol or revolver is usable. A .22LR pistol is best, but .38, 9mm or .45 is fine too. Bring 100 rounds.

We will start with a classroom session, followed by several hours of live-fire range instruction. Experienced bullseye shooters will provide individualized coaching to help participants develop and refine fundamental techniques. Upon completion, attendees will have the foundational knowledge and skills necessary to improve their shooting and participate in bullseye pistol matches.

Fee is **\$30 for adults** and **\$15 for youth** (parent or guardian must accompany those under 18, we have a youth pistol team and dedicated coach!). Fee includes all instruction, course materials range fee and targets.

Space is limited to **20 shooters**, and **pre-registration is required**.
