

ISSF 300m Rifle 3 Position
Postal Match
Version 3.0 2018

What: Selection match for membership on the Nebraska 300m Rifle Team. Monthly match will start October 2017. Shoot on your own range anytime in the month and enter by text with your score. This program is directed toward adult participation.

Rules: ISSF, (ISSFRuleBook2017-ENG) modify as needed in order to facilitate shooting to eliminate obstacles and delays in starting the program, telescopic sights can be used and maybe the easiest way to get started but iron sights are intended. Enter as often as possible once a month or every week if you'd like. Best score of the month will count.

Score: Score your own targets. Submit scores as often as desired.

Course of fire: Fire in order of kneeling, prone then standing. Fire the same number of rounds in each position. For example fire 5 rounds each position. Designate that course as 3x5 which means 3 position 5 rounds each position.

Equipment: Maximum participation needed. No need to get hung up on the equipment. Keep it simple. Use any rifle and the appropriate target. Telescopic sights maybe used. Improvements will tighten up over time.

Distance/Target options: 300m NRA C-1, 300m reduced to 200 yards NRA C-2, 300m reduced to 100 yards NRA A 33. If targets are needed contact Dave.

Awards: None. Intent is to list participants on the spread sheet with scores. Your continued participation will earn membership on the Nebraska 300m Rifle Team.

ISSF: International Shooting Sport Federation, This event is not sanctioned with the ISSF.

Report format: Name/2 letter abbreviation for US or Canadian state, province or territory, 3 letter abbreviation for country code those outside US or Canada /Discipline 3x5 or P=Prone/ Type F= Free Rifle or S=Standard Rifle/total kneeling score/ total prone score/ total standing score/ total score
