

The Arizona State Rifle and Pistol Association's JR. Rifle Team is Now Accepting Applications For New Team Members

The 2011 National Champion Arizona Junior High Power Rifle Team is now recruiting new junior shooters. We have slots available on the Development Team and the Advanced National Matches Team. Familiarity with firearms or rifle shooting experience is a plus. All equipment and ammo is initially provided at no cost.

If your son or daughter is at least 12-years old, has a competitive spirit and desires to participate in the exhilarating sport of competitive rifle shooting, then contact us now. We develop confidence, concentration, and teamwork skills that are needed to excel in school and life. We provide everything from equipment to training:

- Shoot Smallbore and AR-15 Match Rifles
- Get training by NRA-certified coaches
- All equipment, rifle and ammo is provided!
- Learn to hand-load match ammunition
- Improve mental discipline & concentration
- Shoot bullseye targets at 200, 300 & 600 yds.
- Have fun, make new friends, win awards
- Compete in the National Matches

Junior rifle competitors who excel in our program and in school can earn a scholarship to college, a military academy, or could be selected by a military rifle shooting program! We support achievement, if you are interested!

Tyler is the current National Champion Junior High Power Rifle competitor and highest ranked Junior Rifle shooter in the country. He has been a member of the Arizona Jr. Rifle Team since age 10. Tyler was recently awarded an appointment to the Air Force Academy.
